● ABERFELDY HEIR

The 1967 International supreme champion, he is Aberfeldy's fourth International champion bull in five years! By Aberfeldy Captivator, AAA, he is a double-bred Drynie Conquest for an added touch of prepotency. A number of half brothers sell and his valuable service is a sale feature. See him at Aberfeldy the day before the sale.

● SCOTSDALE TEHRAN

This son of the Royal Winter Fair champion Scotsdale Navarre weighs nearly 2,300 pounds on pasture as did his sire. He is out of Calrossie Princess Romana by Bapton Balmoral. He sired the \$8,000 Scotsdale Winner, second top of the 1967 sale. He is leaving his stamp on big, growthy progeny.

● ABERFELDY ROYAL ROBIN, AAA

He also sired four consecutive winning gets-of-sire at the Royal Winter Fair, four consecutive Royal champion bulls, four All-American senior gets, 24 All-Americans and an International reserve champion female. What other bull in service today can match that record. The offering is rich in his blood.

Her dam was by Calrossie Good News. Ettrick cordially invites you to stop by the farm, 60 miles from Georgetown, to inspect this young bull and the entire herd.

● SCOTSDALE BONANZA

Junior stock bull by Scotsdale Tehran. Both his sire and dam were by champion bulls and out of good Calrossie cows. Top breeders have admired him ever since he was with his dam when they were winners in the cow and calf class at the Royal Winter Fair. He is now a big strong bull with quality. Several of the heifers in the sale will be bred to him.

— GENERAL INFORMATION —

Time and Place: Monday, Sept. 30, 1968, at 12:30 p.m., Georgetown Sales Arena, Georgetown, Ontario, Canada. Twenty-five miles west of the Toronto International Airport. See map on the back cover for the location of the sales arena and farms of the consignors.

Lunch: Available at the sales arena.

Transportation: Toronto is easily reached by any means of transportation. We will be pleased to meet trains or planes if advance notice is given to any of the consignors or to the sale manager. Should you miss connections, call the sales arena (416) 877-4101. Interstate highways connect from all parts of the United States and come within 15 miles of the sales arena. May we point out, however, that the cost of a round-trip airplane ticket from Chicago to Toronto is about \$55. Rail fare is roughly the same. Traveling alone, it is difficult to beat this by car.

Transportation will be provided for those without automobiles and cars will return to the air and rail terminals following the sale. For those who prefer, however, rental cars are available in Toronto.

We urge you not to make connections so close that you arrive in Toronto on Monday morning. Although the airport is close by, and we will be happy to meet late arrivals, your stay will be more enjoyable if you arrive on Sunday and are our guest at dinner that night.

Sale Headquarters: The Thunderbird Motel, Brampton, Ont. Write to them directly mentioning that you will attend the sale. Reservations may also be made directly, through the consignors or the sale manager. When that motel is filled, reservations will be made in other nearby motels. We recommend the Flower Town Motel at the junction of Highways 10 and 7 in Brampton.

Guarantee: All cattle are sold under the standard guarantee endorsed by the American Shorthorn Ass'n.

Health: All animals will be sold to comply with the regulations of any province or for entrance into the United States.

Terms: The terms of the sale are cash. Checks should be handed to the clerk immediately following the auction. Please be sure to have the clerk record your shipping instructions and transfer information. All announcements at sale time, written or oral, supersede any written material in this catalog.

Liability: The consignors to the sale, their helpers or employees accept no liability for accidents that may occur. Accidents at cattle sales are very rare, but all attending must do so at their own risk. The sale manager, his staff, auctioneers, ringmen, clerks and others were employed by the owners for specific promotional and clerical tasks, and have no connection with the handling of the cattle, the condition of the premises, fulfillment of guarantees or the health papers. The sale of each animal constitutes a contract between the buyer and seller of each

lot although the sale manager cannot be responsible for fulfillment of that contract. All cattle are at the risk of the new owner as soon as bid off, but every effort will be made to provide for their safety and well-being.

Telephones: Sales Arena (416) 877-4101.

S. G. Bennett, Scotsdale, Georgetown, Ont.: (416) 877-2733.

Reford W. Gardhouse, Aberfeldy, Milton, Ont.: (416) 878-9742.

Norman D. Hogg, Ettrick, Uxbridge, Ont.: (416) UL 2-3282.

Show Rights: All consignors reserve the right to select any animals selling for their show herds and to keep them until after the International Livestock Exposition in Chicago.

Delivery: All consignors will gladly hold any of these cattle until the Royal Winter Fair, the International or until any group shipment may be arranged to facilitate the most economical transportation.

Further Information: The owners, managers, or sale manager will give you their critical appraisal of any of the cattle listed in the auction.

Mail Bids: We hope it will be possible for you to attend the sale. If it is not, there are many competent and reliable representatives to whom bids may be sent. Each of the following will attend the sale:

E. H. Stoltz, executive secretary, Canadian Shorthorn Ass'n, Gummer Building, Guelph, Ont.

C. D. Swaffar, executive secretary, American Shorthorn Ass'n, 8288 Hascall St., Omaha, Neb.

Harris Simons, The Shorthorn World, 16 S. Locust St., Aurora, Ill.

Bill Powell, The Drovers Journal, 1505 Genesee St., Kansas City, Mo.

Ed Huff, Livestock Breeder Journal, Warrenton, Va.

C. K. Tomson, Harding & Harding, Geneva, Ill.

W. L. Elliott, secretary, Ontario Shorthorn Club, R4, Guelph, Ont.

Gene McDonald, The Shorthorn World, 16 S. Locust St., Aurora, Ill.

Al Hamann, Rock Rapids, Iowa.

Auctioneer: Jack Blacklock, Saskatoon, Sask.

Insurance: Will be available at the sale.

Premium on U.S. Funds: The U.S. dollar in Canada is at a premium of roughly seven per cent. This exchange differential more often than not pays the buyer's cost of getting the animal home.

Transfer of pedigrees: Following the sale the consignors will provide at their expense, pedigrees transferred to the name of the new owners in the Canadian Shorthorn Herd Book. Further transfer to the U.S. Herd Book is at the expense of the new owner.

Dinner: Plan to be our guest at dinner Sunday evening, September 29, at The Thunderbird Motel, Brampton, Ont.

A warm welcome

awaits you!

From left are Aberfeldy Jeremy, not selling; Aberfeldy Juggler, Lot 4, and Aberfeldy Justin, Lot 6. All are by Aberfeldy Captivator, AAA.

From left are Scotsdale Adrian, Lot 7, and Scotsdale Argus, Lot 8. Both are by Scotsdale Tehran and sell from Scotsdale.

Seldom has a sale offering been more eagerly anticipated. Breeders everywhere have come to look to Scotsdale and Aberfeldy for quality bulls of unequalled size.

And, they won't let you down. Scotsdale sells some of the biggest stock bulls ever catalogued, like the massive Scotsdale Adrian and Scotsdale Argus. They're by the 2,300-pound Scotsdale Tehran.

Aberfeldy sells a grand group by the AAA Aberfeldy Captivator that weighs more than 2,100 pounds on pasture. They are all half brothers to the 1967 International supreme champion Aberfeldy Heir! Included are the big Aberfeldy Jason and the C.N.E. grand champion Aberfeldy Ideal! Be sure to check their heavy weaning and yearling weights if you're "thinking big."

As always, Aberfeldy, Ettrick and Scotsdale offer the very best in young females bred to their well-known stock bulls. With buying opportunities like these and the special attraction of U.S. funds being at a premium of seven per cent in Canada, everyone who is intent on breed improvement will be at Georgetown on September 30.

Plan to be our guests at dinner the night before the sale at the Thunderbird Motel, Brampton, Ont.
